BUTTE CURRENT NOTES.

Dr. J. M. Sligh of Granite was in the city yesterday.

Hon. Paul McCormick of Billings, one of the best known republicans in the state and a delegate to the Minneapolis convention, is looking into the political situation in Butte.

Mamie Suprenant, wanted for burglary, was captured yesterday morning. For several days she managed to elude the officers by remaining in a room in the Garrison house.

The prospects are that there will be a warm contest between Butte and Anaconda in the lacrosse match at the picnic of the Montana Union railway employees at Deer Lodge Sunday.

Judge W. H. DeWitt of the supreme court came over from Helena yesterday, and is entertaining his friends with some very interesting fish stories, he having returned only a few days ago from an angling excursion toward the Canadian line.

The Scottish-Americans of Butte will hold their first annual picnic at the beautiful Anaconda park on Sunday, September 4. An excellent programme of games and athletic sports has been prepared and the day will be made a pleasant and interesting one in many ways.

A marriage license was issued yesterday to Francis McNamara, aged 61 of St. Paul, and Mrs. Lizzie W. Tuttle, aged 54, of Butte. The lady is well known in this city, and the gentleman is equally prominent at his home. They were united in marriage yesterday forenoon.

A big strike of good ore was encountered on the 200 level of the Moulton yesterday. The ore already taken out runs about 30 ounces and the indications are that there is plenty of it. Superintendent Clark now thinks that they are on the lead for which they have been prospecting for a long time.

Obstruction of Streets.

BUTTE, Aug. 25.—Street Commissioner Beebe says that hereafter he intends to strictly enforce ordinance No. 120, which relates to streets and provides a penalty for permitting any obstruction to remain on any street in the city for a longer time than six hours. The ordinance was passed four years ago, but has always been a dead letter, much to the annoyance of the public generally, and in a number of cases much to the damage of individuals. Today Mr. Beebe began notifying those violating the ordinance and says that notice will be given only once and if not complied with prosecution of all violators of the ordinance will be instituted.

And the End is Not Yet.

BUTTE, Aug. 25.—The long pending litigation between the Banner Mercantile company and the various fire insurance companies, which had its origin in the fire of Sept. 1889, apparently is still a long way from being settled. Today United States Marshal Faray was in the city serving notices on Frank Shaw of the mercantile company and Forbes & Forbes, attorneys for the same, citing them to answer an appeal taken to the federal court of appeals, taken by the Hartford Fire Insurance company et al. The court convenes at San Francisco on the first Monday in October.

ALL ALONG THE LINE

Butte Republicans Fight It Out Inch by Inch.

SOME RED-HOT CONTESTS

The Three-Flag Fellows Man the Machine and Make It Do Its Work in Great Shape.

BUTTE, Aug. 25.—The republican primaries, held in this county this evening from 5 to 8 o'clock, resulted in showing that Butte's big four, Lee Mantle, Charles Warren, George Irvin and John Reed, still run the machine. The three-flag ticket was put through in the same old manner. In the second ward there was a bitter fight against the regular ticket, and opposition was also fierce in eastern Butte and the seventh ward. Opposition developed late in the third ward but when it was found that the flag or machine ticket had piled in 155 ballots at the start the opposition died away. In the second ward the machine put itself on its mettle to bury the opposition so completely that it would never show its head again in that ward. Lee Mantle's name headed the flag ticket, which included also John E. Lloyd, G. W. Irvin, C. W. Goodale, F. W. Holmes, H. R. Cunningham, Thomas J. Moffett and Thomas Richards. The opposition ticket was headed by A. P. Bray, the others being S. P. Miles, Harry Brown, J. H. Lysen, C. W. Goodale, W. C. Batchelor, William Cole and M. E. Hodgkiss. A. P. Bray had to do most of the work against the regular ticket, while all the machine forces were pitted against him, and consequently he was beaten badly. Backs were brought into requisition and all the gamblers left their places of business to take a ride early in the evening, and they usually stopped at the court house. A ticket was printed and put in the field by those favoring Mr. Mantle but wanting the rest of the ticket. This ticket was the same as the opposition except that Lee Mantle's name headed it. It is understood that the opposition was in favor of A. P. Bray for the state senate and Patrick Boland for sheriff. But on a count there were found to be 158 votes for the regular ticket, 35 for the Bray ticket and 31 scattering. For the heads of the tickets, Lee Mantle had 169 votes and Bray 38. The entire machine ticket was elected. M. Hodgkiss, one of the opposition ticket, ran ahead of the rest but not enough for his election. One of the machine men said that there was no particular reason why A. P. Bray should not go to the convention, except that he is a candidate on the people's party ticket for the legislature and none but straight republicans are wanted in the convention. Mr. Bray says he had declined the people's party nomination. There was also a warm fight in eastern Butte, comprising part of the fifth ward, but the regular ticket, headed by R. M. Campbell, won by a vote of about two to one in the various precincts of the city of Butte was as follows:

Precinct 8, part of First ward, Butte: Delegates—Joseph Dalt, D. Perrier, G. B. Sander, R. W. McDonald. Alternates—John Cook, John Powell, Cyrus Symons, John Menadue.

In the Seventh ward there was the closest fight of the day and this ward was the only one in the city in which the flag ticket was knocked out. The regular ticket had on it J. H. Heilig, J. H. Jackson, attorneys for the same, citing them to answer an appeal taken to the federal court of appeals, taken by the Hartford Fire Insurance company et al. The court convenes at San Francisco on the first Monday in October.

A NATATORIUM.

One of the Conveniences that Butte Will Soon Have.

BUTTE, Aug. 25.—If Butte wants to have a natatorium and keep up with Helena it will have to get a hustle on itself. The scheme to form a stock company and run the institution in this way has fallen through, but G. H. Savage, who first suggested the idea of building a natatorium and had the plans drawn up, is out with another proposition which will no doubt meet with the support that it deserves. The first mentioned scheme, that of forming a stock company, fell to the ground simply through a question of location. When about \$2,000 of the stock had been raised a dispute arose on this point in regular Butte style, and this naturally settled the whole business. Every man who contributed what he considered a liberal sum, wanted to say where the building should be put up, and as it could not be located in ten or a dozen places, it wasn't built at all.

Several prominent business men realizing that a natatorium would prove a great benefit to the city in more ways than one, then offered to donate a bonus to aid in its erection, and Mr. Savage is now going to work on this suggestion. It will require about \$32,000 to put up the building in accordance with the plans already prepared and if \$5,000 or \$6,000 of this amount is donated by interested citizens and business men Mr. Savage will start out to secure the balance.

The work of building. There should easily be 20 or 30 men in Butte who are willing to put \$200 or \$300 apiece to see such an important institution in Butte, and Mr. Savage will start out to secure the balance.

IN WALKERVILLE.

Judge Arnold Says the Law Must Be Respected.

WALKERVILLE, Aug. 25.—Judge Arnold held that the laws of this great republic shall be respected in all cases in which he is concerned, and he taught a couple of people a lesson today in regard to paying a subpoena that attention which it deserves and demands. David Clemens and wife of Meaderville, were subpoenaed yesterday in the case of the state vs. Nick Romani, but probably thinking that it was a good deal easier to stay at home than to attend court they failed to show up.

This morning the judge issued a bench warrant for their arrest for contempt of court, and this time they came when they were sent for. Mrs. Clemens spun a long story about coming up to Walkerville and not being able to find the judge's office, and while he did not believe her for a minute, he let her off on the payment of the costs. Mr. Clemens did not get off so easily and was fined \$5 and costs, amounting in all to \$16.

The judge intended this simply as a lesson, and the next time people fail to pay attention to subpoenas that are sent out from his court, they will hear something drop with a great and mighty thud.

The republicans of Walkerville are nearly all engaged in an exciting and highly entertaining scramble for office. The impression has got abroad in some way that Judge Arnold has made on an average of \$1,000 a month since he has been in office, and as he has declined to run again, the republicans are anxious to step into his shoes and about 100 men are fairly breaking their necks to get there. Up to 8 o'clock this evening 69 candidates had announced themselves and there will be a good many more in the field inside of a few days.

Every day Judge Arnold is visited by from 12 to 15 aspirants who anxiously inquire, first, how much he makes out of it, and second, whether or not he thinks they should fill the bill. The judge tells them all that he makes all the way from \$1,000 to \$1,500 a month, and he thinks each and every one would be just the man for the place, and in this way he keeps the fun going. Those who are most prominently mentioned for the office are John Hamilton, M. B. Murphy, M. Flynn, W. B. Cordell and Jacob Jacoby, but there are hosts of others who think they stand just as good a chance as any of the men mentioned, and they propose to make it a finish fight.

IN POLICE COURT.

Judge McMurphy Gives His Attention to a Bad Lot of Men.

BUTTE, Aug. 25.—Pat McGinnis and David Gross, arrested yesterday for breaking into Mamie Malloy's house and stealing a lot of clothing, were arraigned in police court today on a charge of burglary in the first degree. They pleaded not guilty and were remanded until next Monday to await preliminary examination.

Sol Miller, a gambler, stood charged with assault with a dangerous weapon, namely, a chair, with which he was accused of hitting Ed. Wiegner over the head. He entered a plea of not guilty and gave bonds to appear next Monday.

P. J. McGill, "editor of the Irish Whistle," pleaded guilty to a complaint charging him with disturbance. Upon promise of future good behavior sentence was suspended.

Eugene Harrison was sent up for 30 days for being an able-bodied vag, and J. W. Murphy was fined \$1 for getting drunk. John Coan pleaded not guilty to a charge of passing whiskey into the city jail.

James Sullivan, the man arrested a day or two ago for forgery, withdrew his former plea of not guilty and acknowledged his guilt. He said that he was drunk and did not know what he was doing. He was held to the district court in the sum of \$200.

BASE BALL IN MONTANA.

The Three Games to Be Played with Helena—Missoula's Club.

BUTTE, Aug. 25.—The lovers of base ball should be out en masse to see the three games with Helena, commencing tomorrow. In the first place these are going to be three rattling good games, and in the second place the Butte team is deserving of far better support than it has been receiving of late. The Helena papers crowded lead and long over the fact that the cracker eaters got seven hits off Mullane in Sunday's game, and to-morrow Tony will proceed to make monkeys of them. "Old Reliable" Jack Brennan will be behind the bat, and he and Mullane alone should draw a great crowd. The batting order of the contesting teams will be as follows:

Helena—Hearnson, cf.; Huston, 3b.; Crotty, 2b.; Strothers, 1b.; Britton, lf.; Dunning, rf.; Tully, c.; Monday, p.; Ward, ss.

Butte—Brennan, c.; Flannery, lf.; Smith, 3b.; Powell, 1b.; Bright, ss.; Buchanan, 2b.; Hearn, rf.; Munyan, cf.; Mullane, p.

"Missoula is in it and in it to stay." So stated a telegram received by Manager Powell this afternoon from Manager Logan of Missoula. This is exceedingly good news for those cranks who have been fearful of late that Missoula would drop out. Hon. Frank Higgins has given his word, however, that the Missoula team would finish the season and this should settle it. There is a well defined rumor here tonight that Missoula has signed the entire Tacoma team of the defunct Pacific Northwest league, and it is generally hoped that this may be the case. The Butte cranks would rather see Missoula win than any other team except their own.
